

Sponsor a "Giving Doll"

"The Giving Doll" is a non-profit, 501 (c) (3) program that, with the help of volunteers, constructs and distributes 18 inch cloth handmade dolls to children facing special life challenges. Dolls are currently bringing comfort to children in shelters, hospitals, foster care, in the arms of the children of our deployed soldiers and others. Almost 7000 dolls have been given since the program started in March, 2006.

For a \$15.00 donation, you can sponsor a doll and be a part of The Giving Doll mission: to a GIVE faith, love, hope, joy and comfort to a child at a time of special need.

As a sponsor, your name will appear on The Giving Doll name tag. When your doll is constructed and given, you will be informed where the doll went and the special circumstances the child was facing.

All donations are tax deductible and a receipt will accompany your reply card.
